

Stockbridge Christmas

December 8, 2026

Join Bloom Tours as we head to Stockbridge, MA. We start this crisp December day with a visit to the Norman Rockwell Museum. View the Rockwell exhibit as well as the featured “Harvey Dunn and His Students” exhibit. Following the museum we are off to The Red Lion Inn for a scrumptious lunch. This historic Inn located right in the center of the village is filled with New England charm, and has hosted quite a few presidents over the years. After our lunch you will have some free time in downtown Stockbridge for a little last minute Christmas shopping. We will depart late afternoon for Bright Nights in Forest Park, Springfield MA. You don’t want to miss this Christmas lighting spectacular! Reserve this one early. (L)
